Mt. Adams:

Dominating Brazilian Waxing & Mastering Ingrown Hair

WU Aesthetics Monique Waters

Brazilian waxing is the ultimate game-changer for beauty professionals looking to elevate their services and boost their income. Whether you're new to the industry or an experienced professional seeking advanced techniques, this live demonstration with Monique is your ticket to success.

What you'll learn:

Proper positioning for seamless waxing results
Expert application techniques for all body types
Pricing strategies that maximize your earnings
Proven methods to grow a loyal clientele

Effective solutions to prevent and treat ingrown hairs, ensuring client satisfaction and retention

Plus, Monique will unveil her renowned exclusive 5-minute jelly mask—designed to leave your clients glowing and coming back for more.

This is your chance to refine your skills, gain confidence, and dominate the Brazilian waxing market. Don't miss out—your journey to seven-figure success starts here!

St. Helens B:

The Power of Hypochlorous Acid in Modern Esthetics

Brooke Kennedy HYPO21

Discover why Hypochlorous Acid (HOCl) is becoming the most trusted tool in the treatment room. • What You Will Learn (Objectives) In this one-hour session, we will: 1. Dive deep into the biology behind HOCl and why it's a game-changer for acne, sensitivity, post-procedure care, and compromised skin 2. Integrate HOCl into your spa services—from facials and waxing to advanced modalities 3. Illuminate the key differences between HYPO21 and other HOCl products on the market 4. Demonstrate how to successfully retail

St. Helens C:

"XPEEL5 1st All Inclusive Skincare Treatment" ~XFormulations

Formulator Julie Grosso CEO

Learn how to treat mild, moderate or severe acne, acne imposters, anti aging, hyperpigmentation and rosacea skin conditions in this 60 minute all inclusive treatment. THE XF POST CARE METHOD and XF AT HOME RED LIGHT MASK is included in the cost of XPEEL5, so no more selling or clients leaving without the proper post care. Get results in under 7 days, even in under an hour with the XPEEL5. FREE SKIN CARE AND CERTIFICATES AT END OF CLASS.

11:30 am Education

Mt. Adams:

Sugaring Sensitive Skin

Amber Franklin

Join Amber Franklin, The Sugar Whisperer: owner of Legend Aesthetic, Distributor and U.S. National Educator for Sugar of the Nile—for an enlightening session on why Sugaring is an ideal choice for sensitive skin. As a Master Sugarist and respected industry expert, Amber will guide you through techniques that deliver smooth, gentle results without irritation. She'll cover everything from selecting the right consistency to pressure control, advanced application tips, and effective aftercare tailored for delicate skin types. Whether you're looking to refine your skills or build more confidence with sensitive clients, this session will leave you inspired and better equipped to elevate your services. Don't miss the opportunity to learn from one of Sugaring's most passionate educators!

St. Helens B:

Korean Clinical Skincare: What Makes It So Special, Anyway?

Jen Landry, Lead Educator at Pure Raum

If you've ever wondered what makes Korean clinical skincare so globally respected, this session is for you. In this dynamic and practical class, you'll explore the science, philosophy, and innovation that define Korean skincare—and learn how to bring its most effective techniques into your own treatment room. Whether you're new to the concept or looking to deepen your knowledge, this is your chance to gain real insight into one of the most advanced skincare systems in the world.

St. Helens C:

The \$1 Glow-Up: The 10-Minute Regenerative Treatment That Delivers Maximum Volume and Profit Linder Health

Vershanté White, LE

In today's competitive landscape, the future of growth lies at the intersection of innovation, science, and smart revenue strategies. This presentation explores a groundbreaking treatment option that seamlessly integrates with all devices, modalities, and techniques, providing what every service needs: the powerful, profit-boosting "\$1 glow-up." Discover how this simple, low-cost add-on can supercharge service value, drive client loyalty, and open the door to consistent, measurable revenue growth, all while positioning your practice at the forefront of regenerative health innovation.

Olivia Knight Lash Apothecary

1pm Education

Mt. Adams:

"Mastering the 7-Minute Brazilian: Advanced Hard Wax Techniques"

Bree Mesquit Lash and Wax OC | Rebel Wax

Elevate your Brazilian waxing game with this live demo using Rebel Wax's premium hard wax. Learn Bree Mesquit's advanced Brazilian patterns and techniques to complete Brazilians in just 7–15 minutes. Discover how to improve efficiency, precision, and client satisfaction while maximizing profitability. Perfect for professionals seeking to refine their skills and deliver exceptional results with hard wax.

St. Helens C:

6 steps, 4 weeks, intensive K-medical skin regeneration program

David Zheng (master trainer) OxygenCeuticals

6 steps, 4 weeks, intensive K-medical skin regeneration program. It utilizes innovative DMN (Dissolving Hyaluronic Acid Microneedles) induced roller technology, along with 4 types of NAD+ Exosome Ampoules to awaken skin energy. Safe, non-invasive skin therapy with visible results. Perfect for all skin types.

St. Helens D:

Mastering Social Media Dynamics~ Strategies for Success

Mariah Madden

Dive into the exciting world of social media with us! Join our interactive class to explore the skills and strategies you need to shine online. What You'll Discover: - Storytelling Magic: Craft narratives that connect with your audience. - Brand Identity: Develop a unique voice across platforms. - Data-Driven Decisions: Use analytics to boost engagement. - Creative Content: Experiment with innovative formats. Who Should Join: If you're eager to connect and make an impact online, this class is for you! Bring your ideas and questions, and let's inspire each other.

2pm Education

Mt. Adams:

Sugaring with Finesse, Speed & Diversity

Myra Aviles/The Sugar Guru

Elevate your Brazilian waxing game with this live demo using Rebel Wax's premium hard wax. Learn Bree Mesquit's advanced Brazilian patterns and techniques to complete Brazilians in just 7–15 minutes. Discover how to improve efficiency, precision, and client satisfaction while maximizing profitability. Perfect for professionals seeking to refine their skills and deliver exceptional results with hard wax.

St. Helens C:

Bio hacking with Cold Plasma: The latest in skincare products and technology

Jessica Martin Fibroblast USA

Discover how cold atmospheric plasma (CAP) biohacks the skin at a cellular level. Learn how reactive oxygen and nitrogen species (RONS) stimulate fibroblasts, boost collagen production, enhance microcirculation, and rebalance the skin microbiome.

This class reveals how cold plasma promotes anti-aging, wound repair, acne reduction, and scalp rejuvenation—a true fusion of science, technology, and skin health

St. Helens D:

"The Power of Procell Microchanneling"

Nany Gutierrez

"Discover the science of healing and rejuvenation. Learn how our advanced growth factor and DNA enzyme serums, combined with our non-invasive microchanneling device, deliver powerful anti-aging benefits and promote natural hair regrowth for visible, lasting results."
